

# House of the Rising Sun

The Animals

Write the string number of the root of each chord underneath ⑥, ⑤ or ④ (the note that the chord is named after)

Am C D Fmaj7

Root: ⑤                      Root:                      Root:                      Root:

5 Am C E

Root:                      Root:                      Root:

9 Am C D Fmaj7

Root:                      Root:                      Root:                      Root:

13 Am E Am E

Root:                      Root:                      Root:                      Root:

Here are two other rhythms to try with these changes. The semi-quaver  lasts for half as long as a quaver!
