

# Fingerpicking - House of the Rising Sun

<https://youtu.be/A00-u5Scu-A>

The Animals

When we fingerpick we usually allocate one right hand finger to each of the top three strings:

*i* (index) plays string ③      *m* (middle) plays string ②      *a* (annular or ring finger) plays string ①

The thumb *p* usually plays the root of each chord and switches between strings ⑥, ⑤ & ④.
